The
World
of
Kim Heirston

As one of the world's chicest art consultants, Kim Heirston is admired for both her innate fashion sense and her keen, creative eye. *Bazaar* visits the trendsetter at her new Manhattan apartment. By Jennifer Alfano

Dan Walsh's gigantic painting adds a large dollop of color to Heirston's plush, all-white interior. On Heirston: Turtleneck, **Loro Piana**. Necklace, **Kara Ross**. Her own **Chloé** trousers and **Manolo Blahnik** slingbacks. See Where to Buy for details. Fashion editor: **Molly Gallagher Findlay** >
