# WE LOVE OUR BEDS

LULU & BUNNY HENAUT

Their daddy is designer Darren Henault, but twins Lulu and Bunny would much rather talk jewelry than decorating.

**BARBARA:** *These look like great beds for jumping.*

**LULU:** I can't, the ceiling is low on my side. I hit my head when I jump.  
**BUNNY:** But I can!

*What other games do you play in your room?*

**L:** One time we had a playdate after we went some places, and we played monster and then we had a tea party.

**B:** We said, 'ROARRRR!!' *You're scaring me...*

**B:** We were pretending!  
**L:** We were pretending!

*What else do you pretend to be?*

**B:** A princess.  
**L:** A ballerina.

*Did you decorate your bedroom?*

**L:** Nooooo!! You're funny! Daddy did all the flowers on the wall. I want to show you my jewelry now.

*You don't want to talk about your room?*

**B:** This is my pink ring. I made it. It's a flower.  
**L:** Do you like my necklace? It's pink and purple. You can have it if you want it.

**B:** Lulu, you're too nice. *I'll bet I can guess your favorite color.*

**L:** Before, it was purple, now it's pink.  
**B:** I like pink and red and pink and orange.

**L:** All the girls love pink. *Did you get to choose anything for your room?*

**B:** We couldn't, we were in somebody's stomach.  
**L:** I'm younger than Bunny.

*How old are you?*

**L:** I'm four and she's four.  
**B:** I was two minutes first.

*Do you go to bed right after you eat dinner?*

**L:** No, we brush our teeth. Well, first we go get ready, watch a movie, come downstairs, get a book, brush our teeth, go pee.

*What's in your chest of drawers?*

**L:** Lots of dresses. We

only wear dresses.

**DARREN:** They're very girly.

*How many pillows do you sleep on?*

**B:** Three.

**D:** *One.*

**L:** Sometimes I sleep with my dog pillow.

*Would your daddy let you sleep with a real dog?*

**L&B IN UNISON:** Ooh, noo!!

**D:** No, no, no, no, no!

*If you didn't have these beds, what kind would you want?*

**L:** A ballerina bed.

**B:** A princess bed.

**D:** Are you sensing a theme here?

**L:** I need to pee. ●
